Elon,

Keep this email in stock for William Maillis, please.

I am not absolutely sure he's ready for it.

This morning I wake up... and Higher Powers make me accept:

'We make you go through Declay of the Civilisation.

You are the one, who is suppose to educate the Mars-group on
'Live in Declay during the expedition'.You need to go through the experience yourself, before you
can be a good teacher on this point.'I feel twisted & twined. 

I personally do want a Life in Love - for Myself, too - .

Now, I am being told 'that I am broken down  because its good for the Love of all of Us.

Do the Gods & Goddesses know 'that they have taken my one bridge too far'?

Puhhhhhhh.   Space is cruel.         Occasionally, I am granted a Wish for Myself. When I wish for 'a Simple Love relationship  that works for me a long time...'.
I always receive ' lessons in Love for All of Us'.  Dear William Maillis needs to focus on Evidence for Simplicity first. **DesireeStokkel**
